Matthew Johnson

Member Engagement Director

Throughout my career in Recreation Therapy, I have been able to make a meaningful impact on countless lives. With over 20 years of dedication to the healthcare field—specializing in Memory Care—I discovered that my skills as a Recreation Therapist extend far beyond serving residents in Assisted Living or Memory Care communities.

As I transitioned into a leadership role, I realized that Recreation Therapy could also be a powerful tool for supporting staff, fostering a positive and enriching work environment. This ultimately brought me back to The Landing, where I am committed to using my passion for improving lives to benefit our members.

My expertise in healthcare allows me to help members set meaningful goals and find a fulfilling path to help their well-being. Many join The Landing seeking new friendships, a new sense of purpose after retirement, or personal growth in various aspects of their lives—social, emotional, spiritual, physical, or mental. As a Member Engagement Director, I am honored to guide them in maintaining and improving their well-being during this significant chapter of their lives.

The Landing is so much more than games, free coffee, and ping pong. It is a community where individuals find belonging, purpose, lifelong learning, and meaningful connections. My role is to understand what each member is seeking and help them navigate their journey toward fulfillment and success.

I am incredibly proud of my three children, and together, we share a love for exploring the Upper Peninsula. Our adventures include rock collecting, fly fishing, snorkeling, kayaking, swimming, trout fishing, and hiking. One of our favorite pastimes is tracking four local moose—we've followed their tracks, discovered tufts of hair, spotted tree rubs, and even had the incredible experience of seeing one in person.

I also enjoy hunting duck, grouse, turkey, and deer with my sons, while my daughter and I take a different approach—we “shoot” wildlife with our digital cameras, capturing stunning moments and turning our favorite shots into canvas prints.

When I'm not roaming the woods, I love playing the trumpet, cooking homemade meals, making pizza from scratch, and grilling whenever I get the chance. And one of my biggest passions? Fish tanks—I absolutely love them!
